Dear Mr Anderson,

**SA Power Networks 2020-25 Revised Regulatory Proposal,  
Attachment 5 - Capital Expenditure – Incorrect table numbers**

Further to discussions with Adam Young, I am writing to confirm we have discovered that some of the table numbering in Attachment 5 – Capital Expenditure of our Revised Proposal as submitted to the AER on 10 December 2019 is incorrect. We believe the issues have occurred during the translation from a Microsoft Word document to a PDF file. We have provided an updated file which corrects this issue.

For completeness we have listed out each of the changes between the original and updated file.
