

## Attachment 1 - Confidentiality template

Title, page and paragraph number of document containing the confidential information	Description of the confidential information.	Topic the confidential information relates to (e.g. capex, opex, the rate of return etc.)	Identify the recognised confidentiality category that the confidential information falls within.	Provide a brief explanation of why the confidential information falls into the selected category. If information falls within 'other' please provide further details on why the information should be treated as confidential.	Specify reasons supporting how and why detriment would be caused from disclosing the confidential information.	Provide any reasons supporting why the identified detriment is not outweighed by the public benefit (especially public benefits such as the effect on the long term interests of consumers).
SAPN Waiver Application – Other Services Contracts Attachment A, complete page 1.	Contract information including individual contract values, customers and service details.	Ringfencing - Other Services contracts (legal separation)	Market sensitive cost inputs; market intelligence; and personal information.	These contracts were entered into with the understanding that the information was covered by contract confidentiality clauses. If released, the contract values, terms and customer names would breach the contracts and confer an advantage on competitors.	If released, SAPN could face legal action for breach of contract/confidentiality. Additionally, it would affect the ability to obtain competitive prices in future transactions and tender processes.	There is no public benefit in viewing this information, as the nature of the information is described in the waiver application. The detriment would far outweigh any benefit and could result in increased/penalty costs being passed on to customers.
