

Hi Angela/Georgiana,

As owners of [REDACTED] we agree to Blue Aurora Pty Ltd being granted exemption as outlined in our previous submission.

We feel you have addressed other owners objections & concerns, and as outlined by AER in the draft decision, feel there are no grounds for the application to be rejected.

Again to clarify we agree to Blue Aurora Pty Ltd being granted the exemption.

*We are comfortable for AER to supply Blue Aurora P/L with our submissions' and for the AER to publish this submission on the AER website.' This is for public record*

Regards

Carolyn Bolger & Kerry Brown [REDACTED]
