Mr Sebastian Roberts
Australian Energy Regulator
PO Box 520
MELBOURNE VIC 3001

Dear Sir

My Company operates 5 orchards with 5 irrigation pumps near Berri in the State of South Australia.

I write to support your decision in relation to power increases which have previously been levied upon us by SA Power Networks over the last regulatory period.

The viability of our operation has been greatly enhanced by your decision.

Yours sincerely

A handwritten signature in black ink, appearing to read 'Stuart Andrew', written over a horizontal line.

STUART ANDREW
Director
